A Message from our Home Manger

Shileen Muusha

My name is Shileen, and I have the privilege of managing this beautiful home. I joined the Manor View family in May 2026, bringing with me over twenty-two years of experience in healthcare. I am a qualified nurse, with a background in Health Care Practice, with a specialisation in intensive care.

My journey has come full circle. I began my career in a care home, moved on to work in the NHS and private hospitals, and have now returned to social care, a sector I am deeply passionate about.

With a wealth of experience in both health and social care, I am supported by a fantastic team here at Manor View. We maintain an open-door policy where everyone is encouraged to speak freely and share feedback and thoughts – we are always looking to improve.

We are a warm, cosy, friendly care home where everyone is treated like family. Our focus is always on delivering the highest standard of bespoke person – centred care, ensuring every resident is treated with dignity, respect and compassion.
